

**A NEW HAMPSHIRE
SHOPPING & TOURING EVENT**

Open Doors

November 2-3, 2019

We are so excited to share with you this listing of our 2019 NH Open Doors participants!

In this document you will find the locations organized in this way:

- By region
- By type of business
- Alphabetically within region and type

Further descriptive information for each listing is included on the nhopendoors.com website (includes their hours and website links), along with an interactive Google map of all locations. Please keep in mind - although there continue to be improvements, Google may not always bring you to an exact location, especially on back roads.

Each location has their own hours for the weekend posted on the NH Open Doors website. Check before you go!

This directory is meant to be used as one reference for the Open Doors weekend, but it is the responsibility of the visitor to review all information here and on the website before heading out on the tour. Last minute changes may occur at any location due to weather or staffing, so please bear that in mind. If you have a question, we encourage you to reach out to a location directly for clarification.

Enjoy NH Open Doors 2019!
